

INCLUSIVE EXCELLENCE LEADERSHIP ACADEMY

The Inclusive Excellence Leadership Academy is a four day, three night (August 18-21) cultural humility retreat that will prepare attendees to develop culturally responsive leadership/engagement skills from a social justice decisional framework. All first year students are eligible to apply for the program.

For only \$450.00, participants will engage in a variety of interactive and didactic experiences in order to learn tactics/fundamentals needed when engaging individuals from culturally diverse backgrounds. The cost includes all meals, events, and activities of the program. Students will learn real life applications needed in order to identify, address, and resolve barriers that exist when working across cultural dynamics (e.g., race, gender, geographical location, class). Activities will include, but will not be limited to the following: a ropes challenge course, genogram project, narrative storytelling, case studies, community service projects, multicultural fair.
