

4TH ANNUAL DIVERSITY *Summit*

**NOVEMBER 29, 2023
TCNJ CAMPUS**

This year's summit will focus on "Diversity, Equity, & Inclusion and Career Readiness" and feature several sessions designed to foster connections between our alumni and employers with students, faculty, and staff.

We are eager to tap TCNJ alumni and employer partners' expertise and experience, as well as highlight potential organizational opportunities (i.e. developmental/ rotational programs, employer resource groups, organizational values/leadership, etc.) on how diversity, equity and inclusion translate to career readiness and support the development of our students, faculty and staff towards the goal of a more equitable and inclusive campus and beyond.

For priority consideration for the event, please

RSVP by November 3rd here:
